COVERED ACTIVITIES

Sponsored Activities: The Covered Accident must take place: 1) on the premises of the Policyholder during normal hours of operation; or 2) on the premises of the Policyholder during other periods, if attending or participating in a Covered Activity; or 3) away from the premises of the Policyholder while attending or participating in a Covered Activity at its scheduled site. The Covered Activity includes travel without deviation or interruption between home and the site of the Covered Activity.

Owned, Leased, or Controlled Aircraft: The Covered Accident must take place while: 1) you are riding in, or getting on or off of, a covered aircraft; or 2) as a result of you being struck by a covered aircraft. 3) away from the Policyholder's premises in your city of permanent assignment; 4) on business for the Policyholder; and 5) in the course of the Policyholder's business.

This coverage will start at the actual start of the trip. It does not matter whether the trip starts at your home, place of work, or other place. It will end on the first of the following dates to occur: 1) the date you return to your home; 2) the date you return to your place of work; or 3) the date you make a Personal Deviation. Aircraft Restrictions: If the Covered Accident happens while you are riding in, or getting on or off of, an aircraft, We will pay benefits, but only if: 1) if you are riding as a passenger only, and not as a pilot or member of the crew (except as provided by the Policy); and 2) the aircraft has a valid certificate of airworthiness; and 3) the aircraft is flown by a pilot with a valid license; and 4) the aircraft is not being used for: (i) crop dusting, spraying, or seeding; firefighting; skywriting; skydiving or hang gliding; pipeline or power line inspection; aerial photography or exploration; racing, endurance tests, stunt or acrobatic flying; or (ii) any operation which requires a special permit from the FAA, even if it is granted (this does not apply if the permit is required only because of the territory flown over or landed on). 5) the aircraft is a military transport aircraft flown by the U.S. Military Airlift Command (MAC), or similar air transport service of another country.

Aggregate Limit: We will not pay more than \$500,000 per Covered Accident for all losses. If, in the absence of this provision, we would pay more than this amount for all losses under the policy, then the benefits payable to each person with a valid claim will be reduced proportionately.
