### Coverage for Delegates, Technical Staff, and Special Guests

The General Conference (G.C.) will coordinate this coverage for delegates, technical staff and special guests (approved by G.C. Session Finance Committee and the G.C. Executive Committee) who are coming from outside the United States and for US based delegates, support staff and special guests not employed by a SDA Church Organization.

US based delegates, support staff, and special guests employed by a SDA Church Organization are welcome to purchase this travel insurance at their own expense. They will also have access to their employer provided NAD healthcare and workers compensation.

All others, including delegate spouses and other family members, should purchase this insurance at <http://www.adventistrisk.org>.
