

Safety Sabbath Email Instructions

Dear Pastor/Church Leader,

As part of the Safety Sabbath Promotion Kit, this email template is designed to help you easily inform your congregation about Safety Sabbath on **March 29, 2025** and the **Missing Child Drill**.

How to Use This Email

1. Copy the email template on the next page.
2. Paste it into your email account.
3. Customize it with your church's details, if needed.
4. Send it to your congregation to encourage participation.

safetysabbath.org

Dear

Family,

We are excited to participate in Safety Sabbath on March 29th—a special day dedicated to strengthening our church's emergency preparedness. This year, we will be focusing on missing child safety, equipping our congregation with the knowledge and steps to respond effectively in an emergency.

What to Expect on Safety Sabbath:

- A brief introduction to our church's safety plan
- A missing child drill to help us practice a calm and structured response
- Important safety reminders to ensure our church remains a secure place for worship and fellowship

Your participation is vital in making our church a safe space for all, especially our children. We encourage every member to be present and engaged in this important initiative.

If you have any questions, feel free to reach out to [contact person's name and email].

Thank you for being a part of our Safety Sabbath initiative!

Leadership Team
