If an Insured suffers an Injury that, within 90 days of the date of the accident that caused the Injury, requires him or her to be treated by a Physician, the Company will pay the Usual and Customary Charges incurred for Medically Necessary Covered Accident Medical Services received due to that Injury, up to the Maximum Amount per Insured for all Injuries caused by the same accident. Benefits are payable for charges incurred within 52 weeks after the date of the accident causing the Injury.

DEFINITIONS

Ambulatory Medical Center — as used in this Rider, means a licensed facility providing ambulatory surgical or medical treatment, other than a Hospital, clinic or Physician's office.

Durable Medical Equipment — as used in this Rider, refers to equipment of a type that is designed primarily for use, and used primarily, by people who are injured (for example, a wheelchair or a hospital bed). It does not include items commonly used by people who are not injured, even if the items can be used in the treatment of injury or can be used for rehabilitation or improvement of health (for example, a stationary bicycle or a spa).

Experimental or Investigative — as used in this Rider, means treatment, a device or prescription medication which is recommended by a Physician, but is not considered by the medical community as a whole to be safe and effective for the condition for which the treatment, device or prescription medication is being used, including any treatment, procedure, facility, equipment, drugs, drug usage, devices, or supplies not recognized as accepted medical practice, and any of those items requiring federal or other government agency approval not received at the time the services are rendered.

Hospital — as used in this Rider, means a facility that: (1) is operated according to law for the care and treatment of injured and sick people; (2) has organized facilities for diagnosis and surgery on its premises or in facilities available to it on a prearranged basis; (3) has 24 hour nursing service by registered nurses (R.N.'s); and (4) is supervised by one or more Physicians. A **Hospital** does not include: (1) a nursing, convalescent or geriatric unit of a hospital when a patient is confined mainly to receive nursing care; (2) a facility that is, other than incidentally, a rest home, nursing home, convalescent home or home for the aged; nor does it include any ward, room, wing, or other section of the hospital that is used for such purposes; or (3) any military or veterans hospital or soldiers home or any hospital contracted for or operated by any national government or government agency for the treatment of members or ex-members of the armed forces, except if there is a legal obligation to pay.

Medically Necessary — as used in this Rider, means a Covered Accident Medical Service that: (1) is essential for diagnosis, treatment or care of the Injury for which it is prescribed or performed; (2) meets generally accepted standards of medical practice; and (3) is ordered by a Physician and performed under his or her care, supervision or order.

Mental Illness — as used in this Rider, means any disturbance of emotional equilibrium, as manifested in maladaptive behavior and impaired functioning, caused by genetic, physical, chemical, biologic, psychological, or social and cultural factors. Also called emotional illness, mental/nervous disorder and psychiatric disorder.

Pre-existing Condition — as used in this Rider, means a condition for which an Insured received any diagnosis, medical advice or treatment or had taken any prescription medicines during the 12 months immediately preceding the effective date of the Insured's coverage under this Policy unless the condition for which the prescribed medication is taken remains controlled without any change in the required prescription.

Usual and Customary Charge(s) — as used in this Rider, means a charge that: (1) is made for a Covered Accident Medical

Service; (2) does not exceed the usual level of charges for similar treatment, services or supplies in the locality where the expense is incurred; and does not include charges that would not have been made if no insurance existed.

EXCLUSION

In addition to the Exclusions in the Exclusions section of the Policy and any amendment thereto, Accident Medical Expense benefits are not payable for, and Usual and Customary Charges for Covered Accident Medical Services do not include, any expense for or resulting from any of the following:

1. repair or replacement of existing artificial limbs, artificial eyes or other prosthetic appliances or rental of existing Durable Medical Equipment unless for the purpose of modifying the item because Injury has caused further impairment in the underlying bodily condition;
2. new, or repair or replacement of, dentures, bridges, dental implants, dental bands or braces or other dental appliances, crowns, caps, inlays or onlays, fillings or any other treatment of the teeth or gums, except for repair or replacement of sound natural teeth damaged or lost as a result of Injury up to the Dental Maximum shown in the Benefit Schedule;
3. new eye glasses or contact lenses or eye examinations related to the correction of vision or related to the fitting of glasses or contact lenses, unless Injury has caused impairment of sight; or repair or replacement of existing eyeglasses or contact lenses unless for the purpose of modifying the item because Injury has caused further impairment of sight;
4. new hearing aids or hearing examinations unless Injury has caused impairment of hearing; or repair or replacement of existing hearing aids unless for the purpose of modifying the item because Injury has caused further impairment of hearing;
5. rental of Durable Medical Equipment where the total rental expense exceeds the usual purchase expense for similar equipment in the locality where the expense is incurred (but if, in the Company's sole judgment, Accident Medical Expense benefits for rental of Durable Medical Equipment are expected to exceed the usual purchase expense for similar equipment in the locality where the expense is incurred, the Company may, but is not required to, choose to consider such purchase expense as a Usual and Customary Covered Accident Medical Expense in lieu of such rental expense);
6. any charge for medical care for which the Insured is not legally obligated to pay;
7. care, treatment or services provided by an Insured or by an Immediate Family Member;
8. routine physical exam and related medical services;
9. personal comfort or convenience items, such as but not limited to, Hospital telephone charges, television rental, or guest meals while confined in a Hospital or for items taken away or home from the Hospital, including but not limited to crutches, wheel chairs and walkers except Durable Medical Equipment;
10. Pre-existing Conditions;
11. an emergency evacuation for which any benefits are payable under the policy's Emergency Evacuation Benefit;
12. elective treatment or surgery;
13. Experimental or Investigative treatment or procedures;
14. treatment for temporomandibular dysfunction;
15. care, treatment or services provided by persons retained or employed by the Policyholder; or for supplies, prescriptions or medicines paid for or reimbursable by the Policyholder, or for which a charge is not made;

16. Mental Illness, psychological or psychiatric counseling of any kind, mental and nervous disease or disorders and rest cures;
17. educational or vocational testing or training;
18. treatment of Osgood-Schlatter's disease;
19. detached retina unless due to an Injury;
20. plastic or cosmetic surgery;
21. charges that are payable under motor vehicle medical benefits;
22. hernia;
23. any condition for which the Insured is entitled to benefits under any Workers' Compensation Act or similar law.

EMERGENCY EVACUATION — \$500,000

The Company will pay, subject to the limitations set out herein, for Covered Emergency Evacuation Expenses reasonably incurred if the Insured suffers an Injury or Emergency Sickness that warrants his or her Emergency Evacuation while he or she is outside a 100 mile radius from his or her current place of primary residence, but not exceeding the Maximum Amount per Insured for all Emergency Evacuations due to all Injuries from the same accident or all Emergency Sicknesses from the same or related causes.

The Physician ordering the Emergency Evacuation must certify that the severity of the Insured's Injury or Emergency Sickness warrants his or her Emergency Evacuation. All Transportation arrangements made for the Emergency Evacuation must be by the most direct and economical conveyance and route possible.

The assistance company must make all arrangements and must authorize all expenses in advance for any Emergency Evacuation benefits to be payable. The Company reserves the right to determine the benefits payable, including reductions, if it is not reasonably possible to contact the assistance company in advance.

DEFINITIONS

Covered Emergency Evacuation Expense(s) — as used in this Rider, means an expense that: (1) is charged for a Medically Necessary Emergency Evacuation Service; (2) does not exceed the usual level of charges for similar Transportation, treatment, services or supplies in the locality where the expense is incurred; and (3) does not include charges that would not have been made if no insurance existed.

Emergency Evacuation — as used in this Rider, means, if warranted by the severity of the Insured's Injury or Emergency Sickness: (1) the Insured's immediate Transportation from the place where he or she suffers an Injury or Emergency Sickness to the nearest hospital or other medical facility where appropriate medical treatment can be obtained; (2) the Insured's Transportation to his or her current place of primary residence to obtain further medical treatment in a Hospital or other medical facility or to recover after suffering an Injury or Emergency Sickness and being treated at a local hospital or other medical facility; or (3) both (1) and (2) above. An Emergency Evacuation also includes medical treatment, medical services and medical supplies necessarily received in connection with such Transportation.

Emergency Sickness — as used in this Rider, means an illness or disease, diagnosed by a Physician, which meets all of the following criteria: (1) there is present a severe or acute symptom requiring immediate care and the failure to obtain such care could reasonably result in serious deterioration of the Insured's condition or place his or her life in jeopardy; (2) the severe or acute symptom occurs suddenly and unexpectedly; and (3) the severe or acute symptom occurs while the Policy is in force as to the Insured suffering the symptom and while the Insured is participating in a Covered Activity.

Medically Necessary Emergency Evacuation Service — as used in this Rider means any Transportation, medical treatment, medical service or medical supply that: (1) is an essential part of an Emergency Evacuation due to the Injury or Emergency Sickness for which it is prescribed or performed; (2) meets generally accepted standards of medical practice; and (3) either is ordered by a Physician and performed under his or her care or supervision or order, or is required by the standard regulations of the conveyance transporting the Insured.

Transportation — as used in this Rider means moving the Insured during an Emergency Evacuation by a land, water or air conveyance. Conveyances include, but are not limited to, air ambulances, land ambulances and private motor vehicles.

REPATRIATION OF REMAINS — \$500,000

If an Insured suffers loss of life due to Injury or Emergency Sickness while outside a 100 mile radius from his or her current place of primary residence], the Company will pay, subject to the limitations set out herein, for covered expenses reasonably incurred to return his or her body to his or her current place of primary residence, but not exceeding the Maximum Amount per Insured.

Covered expenses include, but are not limited to, expenses for: (1) embalming or cremation; (2) the most economical coffins or receptacles adequate for transportation of the remains; and (3) transportation of the remains by the most direct and economical conveyance and route possible.

The assistance company must make all arrangements and must authorize all expenses in advance for this benefit to be payable. The Company reserves the right to determine the benefit payable, including any reductions, if it was not reasonably possible to contact the assistance company in advance.

DEFINITIONS

Emergency Sickness — as used in this Rider, means an illness or disease, diagnosed by a Physician, which meets all of the following criteria: (1) there is a present severe or acute symptom requiring immediate care and the failure to obtain such care could reasonably result in serious deterioration of the Insured's condition or place his or her life in jeopardy; (2) the severe or acute symptom occurs suddenly and unexpectedly; and (3) the severe or acute symptom occurs while the Policy is in force as to the Insured suffering the symptom and while the Insured is participating in a Covered Activity.
