

HOW TO SHARE SAFETY SABBATH WITH YOUR CHURCH

Safety Sabbath helps your church be ready for emergencies, but what if your local church leadership doesn't know about Safety Sabbath? Here's how to bring Safety Sabbath to your church.

1

Register at SafetySabbath.com

Register as a church member at SafetySabbath.com. Once you register, you will receive free Safety Sabbath resources.

2

Talk to your pastor and Church Safety Officer.

Tell your church leadership team about Safety Sabbath and share why you want your church to participate. Encourage your church leadership to register your church at SafetySabbath.com to access free Safety Sabbath planning resources.

3

Put Safety Sabbath on your church calendar.

Work with your pastor and church safety officer to have Safety Sabbath approved by your church board and placed on your church calendar.

4

Take the survey and share on social media.

After the drill, take the Safety Sabbath survey at SafetySabbath.com. Share your experience on your personal social media using [#SafetySabbath2023](https://twitter.com/SafetySabbath2023). Tag your church and tag **Adventist Risk Management, Inc.** on Facebook and [@SafetySabbath](https://twitter.com/SafetySabbath) on Twitter.
